

**PREVENT
THE SPREAD
OF COVID-19**

Who can get tested for COVID-19?

1. Anyone with travel history outside Nigeria, who presents with fever, cough or breathing difficulties within 14 days of arrival.

2. Anyone who has symptoms and contact with confirmed cases

3. Anyone with fever and either cough, difficulty breathing or shortness of breath in an area of moderate or high COVID-19 prevalence in Nigeria with no other explanation
